California Department of Education School Accountability Report Card Reported Using Data from the 2014-15 School Year

Published During 2015-16

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians, and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the [CDE DataQuest Web page](#) that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Mr. Chip Romer, Executive Director

Principal, Credo High

About Our School

In 2015-16 Credo High School is in its fifth year of offering a public, Waldorf, college-prep program for all students. In addition to rigorous academics meeting the University of California admission requirements, all students study four years of art, music and sustainability education. Credo is accredited by the Western Association of Schools and Sciences (WASC) and attained an API score of 853. Core academic courses are approved by the University of California. In the 2014-15 school year, Credo graduated its first twelfth grade class. Please visit www.credohigh.org for more information.

School Description and Mission Statement - Most Recent Year

Credo High School is a public charter school that calls on the proven principles of Waldorf education to deliver a rigorous college-prep program that advances critical thinking, creativity, responsibility, and initiative in public school students. We help students develop the capacities, compassion and values to become effective leaders ready to address tomorrow's challenges. Credo is a public high school that gives more, that asks for more, and that prepares its students to achieve more.

Our mission is to offer a college preparatory high school program that: continues the education of graduates of the North Bay's Alliance for Public Waldorf Education grade schools; is committed to the core principles of public Waldorf education; and teaches and models social, environmental, agricultural, economic and personal sustainability.

Founded in 2011 to complete the K-8 education offered by our region's six exemplary Waldorf charter schools, Credo is raising the bar for public high schools in Sonoma County—and establishing a replicable new model for public high schools nationwide.

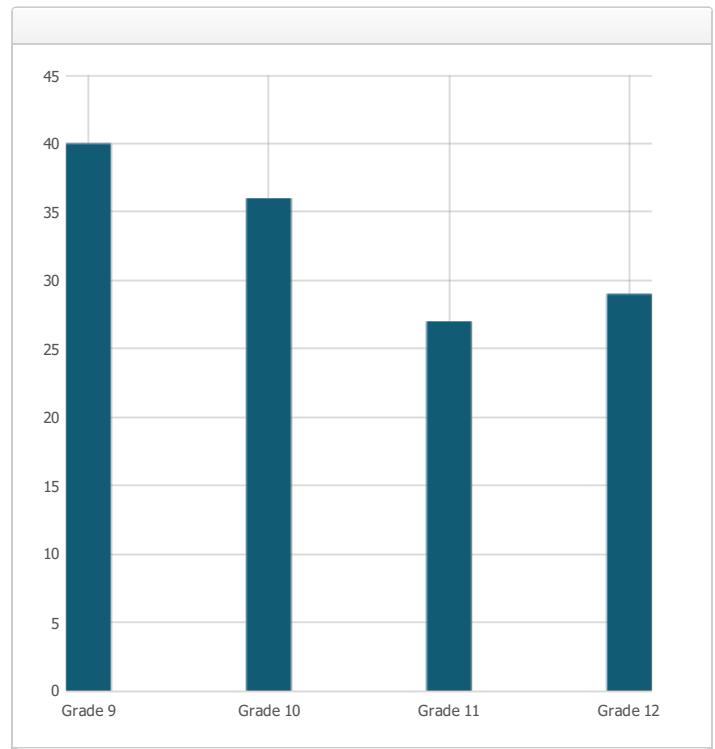

The Waldorf High School curriculum has a powerful track record of preparing students for college and beyond. Now, at Credo High, this opportunity is available for the first time to North Bay public school students.

- Credo intends that one hundred percent of graduates will meet A-G qualifications to apply to the University of California.
- A full offering of fine and practical arts—including media arts, drawing, printmaking, painting and sculpting—and of practical skills—such as financial literacy, basic carpentry, blacksmithing, farming and food literacy—complements our rigorous academics.
- All students study music and world language (Spanish or Mandarin) for all four years.
- A core value around sustainability teaches students to be responsible stewards of the earth.
- A rich social-emotional curriculum teaches all students to communicate, collaborate, resolve conflict, build consensus and support one another.

A. Conditions of Learning

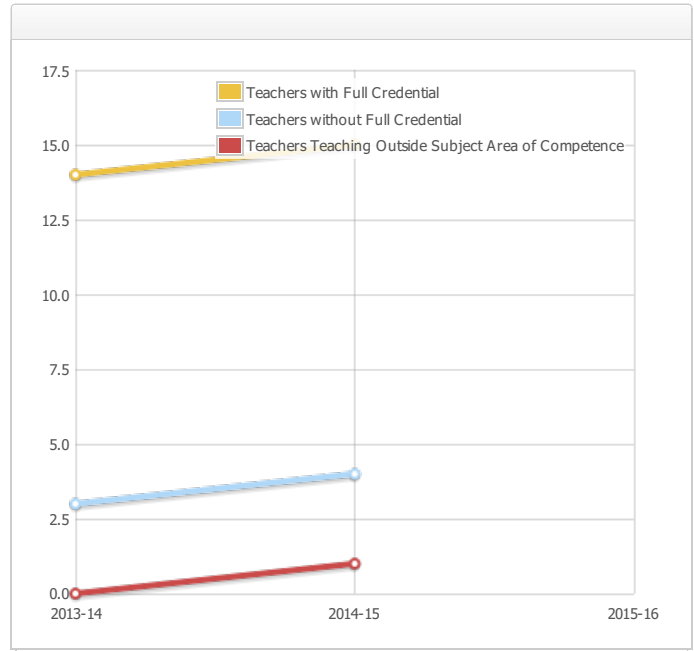

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials

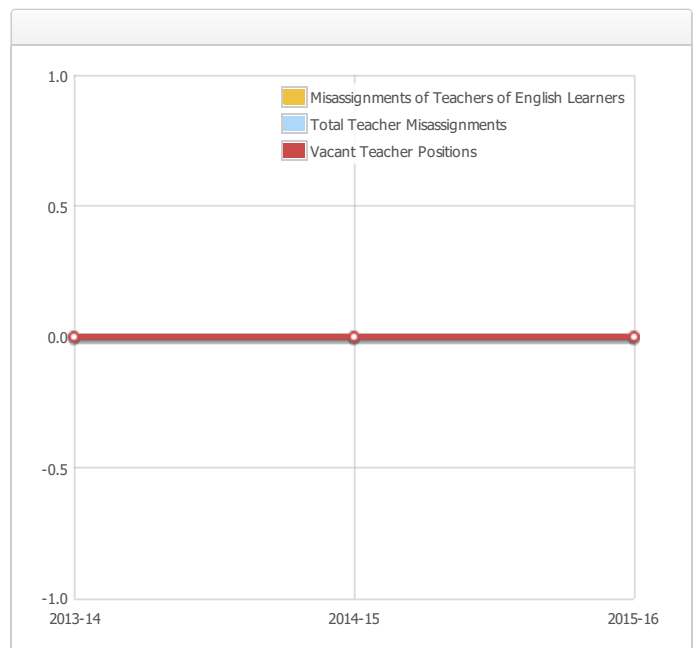

Teachers	School		District	
	2013-14	2014-15	2015-16	2015-16
With Full Credential	14	15		
Without Full Credential	3	4		
Teachers Teaching Outside Subject Area of Competence (with full credential)	0	1		

Last updated: 2/1/2016

Teacher Misassignments and Vacant Teacher Positions

Indicator	2013-14	2014-15	2015-16
Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments*	0	0	0
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

* Total Teacher Misassignments includes the number of Misassignments of Teachers of English learners.

School Facility Conditions and Planned Improvements - Most Recent Year

Credo High School is inspected on a yearly basis by the governing fire and health agencies, as well as the school's insurance carriers. When improvements are noted, they are quickly addressed by the maintenance staff. Credo High is serviced and maintained by on-site custodial staff, as well as supported by the District Maintenance and Operations Dept. Handicap accessibility needs and improvements are continually reviewed.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP], Science California Standards Tests); and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

California Assessment of Student Performance and Progress Results for All Students (School Year 2014-15)

Subject	Percent of Students Meeting or Exceeding the State Standards		
	School	District	State
English Language Arts / Literacy (grades 3-8 and 11)	56.0%	40.0%	44.0%
Mathematics (grades 3-8 and 11)	44.0%	29.0%	33.0%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy. Double dashes (--) appear in the table when the number of students tested is ten or less.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite

Opportunities for Parental Involvement - Most Recent Year

Credo High School practices open communication with our parents, community members, business and civic leaders. To achieve this goal we invite parents and community members to serve on our Board of Directors and administrative committees, and to participate in numerous enrichment and informational events throughout the school year. Parents are also actively involved in attending many of our co-curricular and extra-curricular activities, including concerts, Club Credo, plays and musical productions. Our Parent Ambassadors program is actively involved in creating and supporting student culture. Parent Ambassadors also participate in open houses and outreach events. Credo welcomes parents and community members to visit our school in order to observe the quality of instruction offered in the classrooms.

State Priority: Pupil Engagement

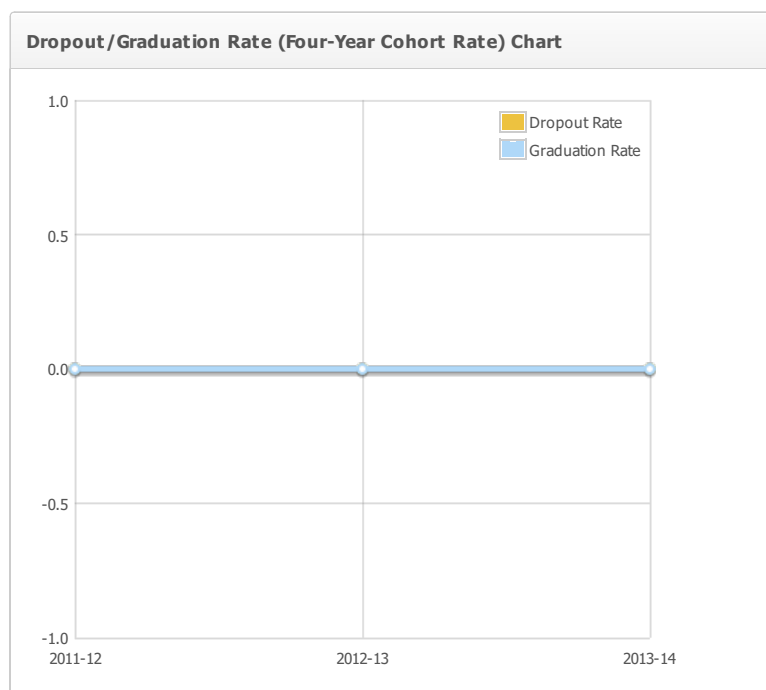

Last updated: 2/1/2016

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School			District			State		
	2011-12	2012-13	2013-14	2011-12	2012-13	2013-14	2011-12	2012-13	2013-14

School Safety Plan - Most Recent Year

The site-wide school safety plan is reviewed and updated regularly. Emergency drills, including fire and lock-down drills, are held regularly. Staff includes a director, education director, fifteen certificated faculty members, four clerical support staff, six part-time instructional assistants and one maintenance supervisor. The school establishes clear expectations for student behavior and communicates its expectations to each student and parents at the time that the student enrolls in the school. Harassing or intimidating behaviors are not permitted at the school. Staff maintains a careful watch over student behavior. Due to the small size of the student body, staff members are well-acquainted with the students and are able to intervene on and address problematic behavior when it occurs. Counseling services are offered to students on an as needed basis. Referrals to outside agencies are made as needed. Rohnert Park Public Safety is always available as needed.

Professional Development – Most Recent Three Years

Credo teachers spend ten days annually in staff development and, in addition, spend two hours weekly in professional development. The foci of staff trainings and education is student achievement. Student achievement data from standardized testing, school grading rubrics and qualitative teacher reports are all reviewed to ensure appropriate teacher support and education is offered. Teachers are observed in class and mentored by Credo's Education Director.
